VOL. 2

CREATIVESPACE è un progetto ambizioso, uno spazio creativo dove l'arte della sartoria viene applicata all'interior design, realizzando veri e propri abiti murali su misura. Non sono semplici carte da parati, ma emozioni reinterpretate in rivestimenti murali.

I rivestimenti **CREATIVESPACE** sono in continua evoluzione in un percorso che vuole avvicinarsi all'arte, un incontro tra passato e presente che riesce a stare al passo con il dinamico mondo del design. **CREATIVESPACE** offre supporti caratterizzati da una componente materica che risalterà il loro aspetto visivo e tattile, restituendo un alto valore estetico.

Che sia un piccolo spazio o una soluzione d'arredo importante, l'obiettivo sarà sempre quello di rimanere impressi in chi decide di sceglierci. Oggi, a distanza di 10 anni, l'azienda è leader nel settore e rivende i suoi prodotti in Italia e nella maggior parte del mondo.

CREATIVESPACE is an ambitious project, a creative space where the art of tailoring is applied to interior design, creating real bespoke mural clothes. These are not simple wallpapers, but emotions reinterpreted in wall coverings.

CREATIVESPACE coverings are constantly evolving in a path that wants to get closer to art, a meeting between past and present that manages to keep up with the dynamic world of design. **CREATIVESPACE** offers different supports characterized by a material component that will highlight their visual and tactile aspect, giving back an high aesthetic value.

Even if is just for a small space or an important furnishing solution, the goal will always be to remain impressed in those who decide to choose us. Today, 10 years later, the company is a leader in the sector and resells its products in Italy and in most parts of the world.

DECOR

Creativespace completa l'ambientazione con alcuni oggetti creativi quali cuscini e tovagliette americane utilizzando gli stessi decori della sartoria murale.

Creativespace completes the setting with some creative objects such as cushions and placemats using the same decorations as the wall tailoring.
